

School to Career Banquet

Tunkhannock Area High School SkillsUSA hosted the 36th annual School to Career Student/Employer Appreciation Banquet at Triton Hose on Wednesday May 6th, 2009.

The purpose of this event was to celebrate TAHS's program and show appreciation to so many others who make the School to Career Work Experience program possible. Tribute was paid to parents, teachers, administrators, and employers who contributed to the success of the program, because if it weren't for them the program wouldn't exist. Also, each student was honored who worked hard toward his or her career goals.

School-to-Career has brought together education and industry as partners in preparing students for the 21st century. On behalf of all of the students, Mr. John Shaffer and Mr. Anthony Wisnosky want to personally thank the many employers who provided job-training experience to over 50 of our students.
