

## **TUNKHANNOCK AREA MIDDLE SCHOOL TRANSPORTATION NOTICE**

With September fast approaching, it is with great pleasure that I welcome you to the 2009-2010 school year. In the interest of student safety and to avoid any hazards or dangers, we are implementing specific parking and student drop-off areas, primarily in the morning.

### **A.M. Parent and Van Drop-Off Area for Tunkhannock Area Middle School**

All parents and vans will come up Harrison to Franklin, and proceed to the Middle School. Vehicles will form a one-lane line directly “curb-side” at the front entrance of the Middle School, and drop-off students on the sidewalk.

You will no longer be allowed to stop and/or park on Franklin Avenue to drop students off before 8:30 A.M.

We strongly discourage any “drop-off” of a student at a location which would require students to pass between vehicles.

*\*P.M. Parent Pick-up will still be at the front entrance of the middle school “curb-side”. Any student who has a specific afternoon appointment must be picked up by 2:40 P.M. All students walking, being picked up by a person or car must wait until 3:00 P.M.*

### **A.M. Bus Drop-Off Area for Tunkhannock Area Middle School**

Buses will come down Pennsylvania Avenue and proceed down the side of the Middle School Auditorium entrance, where they will stop “curb-side” and drop-off students on the sidewalk.

Buses will also come down Franklin, make a left and proceed down the side of the Middle School Auditorium entrance, where they will stop “curb-side” and drop-off students on the sidewalk.

Buses will then proceed to the high school and drop-off high school students.

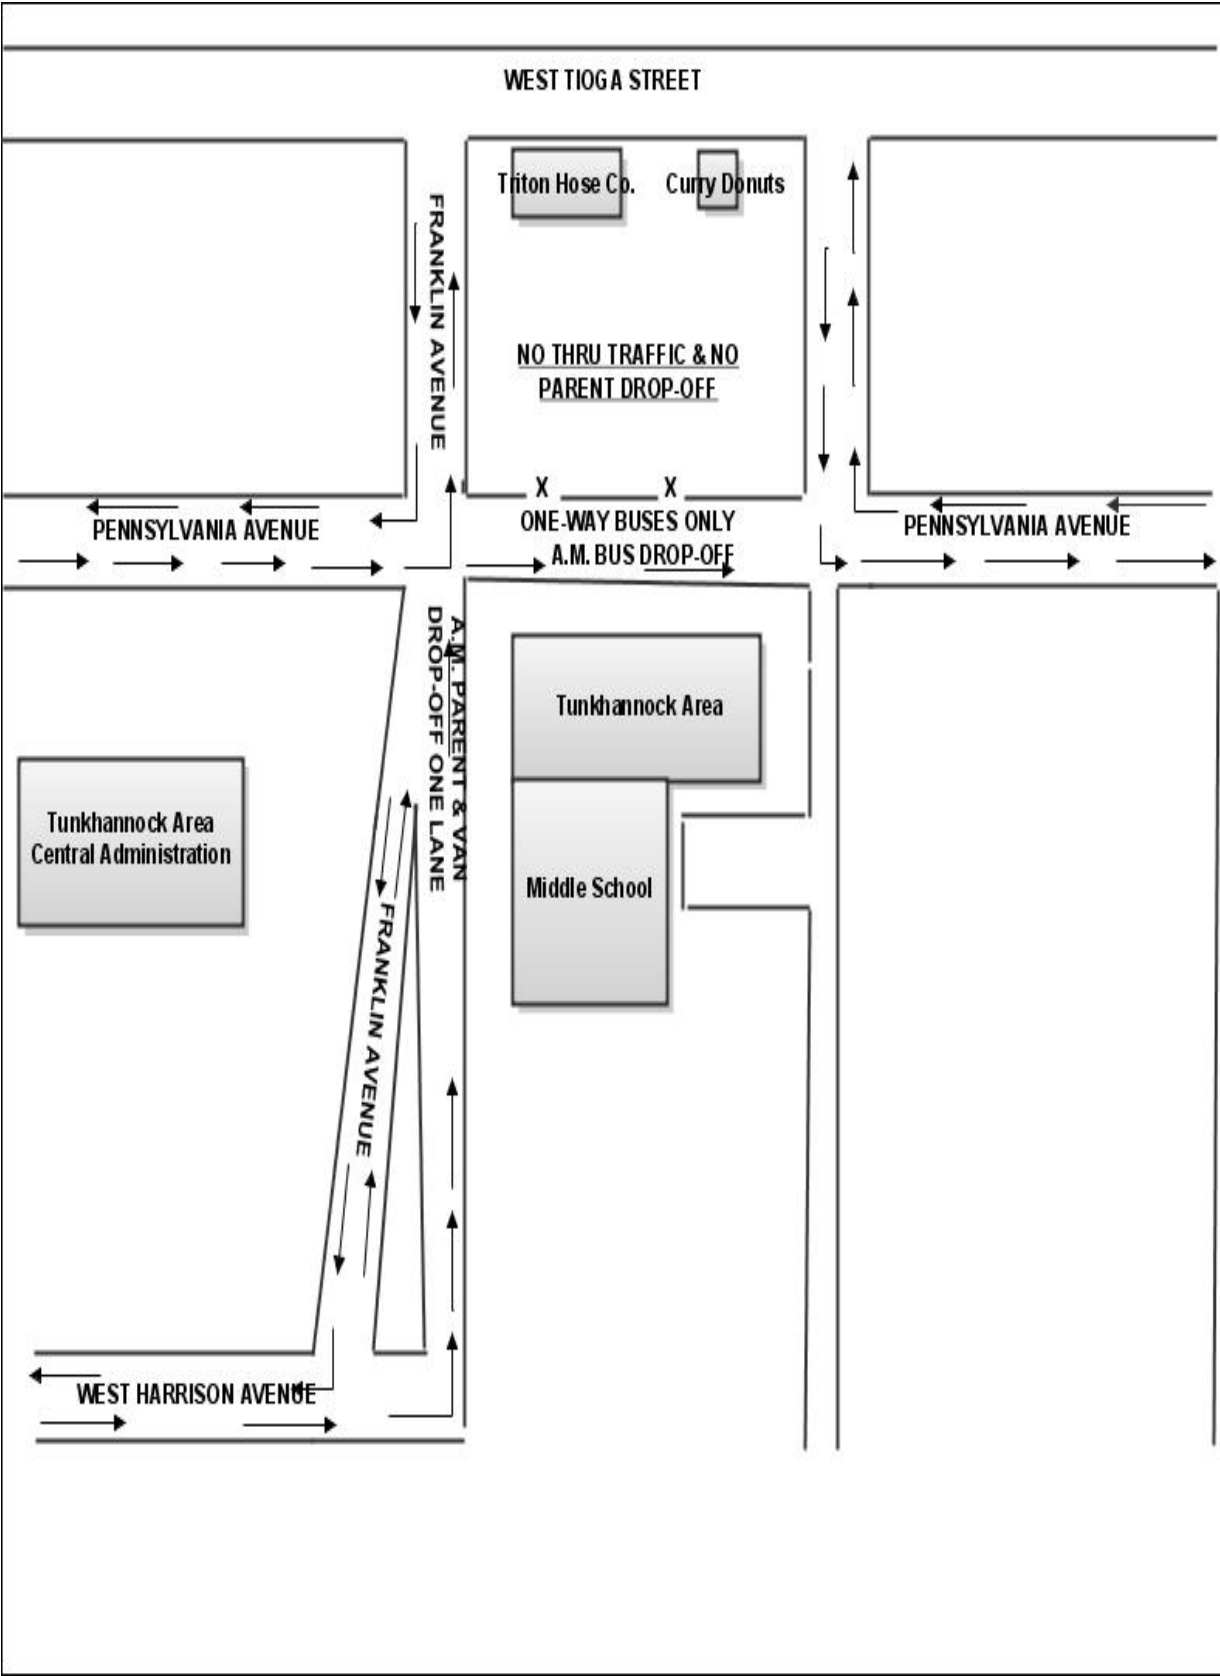

**The road directly in front of the Middle School Auditorium will be closed to all traffic except bus transportation going one-way.**

**PLEASE NOTE PARENTS AND COMMUNITY:** You will no longer be allowed to stop and/or park in the paved parking lot area across from the Middle School Auditorium during school hours.

Again, we strongly discourage any “drop-off” of a student at a location which would require students to pass between vehicles.

*\*P.M. Bus dismissal will not change. Dismissal of Middle School Students is still 3:00 P.M.*

We realize that this will be an inconvenience for some; however, student safety is our goal. We thank you in advance for your patience and cooperation during arrival and dismissal times at Tunkhannock Area Middle School.
