Parents, Guardians, and Students:

We look forward to having students back in the building in just a few short weeks. Teachers are preparing their rooms for the first day of school. The Custodial and Maintenance Staff deserve recognition for their extraordinary efforts in the building and around the high school campus. In addition, the Technology Department continues to upgrade our computer network in order to provide our students with the latest technology.

In preparation for the upcoming year, there are several topics we would like to bring to your attention:

- We will be holding a brief Open House for incoming 8th grade students (Class of 2024) from 9:00-10:00 a.m. on Thursday, August 15th. Students will be provided their schedule, grade level homeroom #, locker # and combination, building map and bus line-up. This is a student only event. If your child is not able to attend their schedule will be placed in the mail that day.
- We will also be holding a brief Open House for incoming 9th grade students (Class of 2023) from 9:00-10:00 a.m. on Friday, August 16th. Students will be provided their schedule, grade level homeroom #, locker # and combination, building map and bus line-up. This is a student only event. If your child is not able to attend their schedule will be placed in the mail that day.
- The first day for all students is Monday, August 26, 2019.
- Students must report to their Grade Level Homeroom on the first day of school by 8:10 a.m.
- Schedules for grades 10, 11 and 12, student handbooks, and other student information will be provided in Grade Level Homeroom.
- The school day dismissal time is 2:58 p.m. Buses normally depart by 3:20 p.m.
- To expedite a new bus dismissal pattern, all traffic will yield to incoming and outgoing buses.
- **Student Drop-off/Pick-up:**
Student Drop-off before School:
-this location will remain in the designated student drop off lane in the Band lot.
Student Pick-up at Dismissal Time:
-Parents/Guardians will continue to drive around the back of the building to the Band lot. However, cars will not enter the Band lot. Cars will line up along the curb on the South Side of the building.
- **Please monitor your email for Student/Health Form documents.**

We look forward to seeing you soon.
