

## TASD Student wireless access

To connect to the TASD Student wireless, please access it from the parking lots of the following buildings: Administration parking lot, Primary Center Parking Lot and the HS Front or Band Parking lot.

Search for wireless SSIDs and locate the one named TASD Student. Enter "stayhealthy2020" for the password.

Once you connect, it will then ask you to login with your TASD account. This will be your computer user name (firstname.lastname only) and your TASD Lunch Pin for the password.
