

TUNKHANNOCK AREA SCHOOL DISTRICT

**Karin DeLancey
Director of Transportation,
Student Registration &
Homeless Liaison**

Transportation Information

Post cards with bussing information were mailed on September 1, 2020.

NOTICE: Bus times are an estimated computer generated time. Until we run with stops and students boarding, a Bus Driver cannot confirm the times stated. Due to the estimated times, we are requesting all students be at their bus stop a **minimum of 10 minutes** early until your Bus Driver confirms or adjusts your time.

All students must wear a mask at all times on the bus. Failure to do so will result in the loss of bus privileges.

All students will have assigned seats on the bus. Assigned seats will be determined by the Bus Driver and will be changed as the Driver deems necessary.

For the safety of all students see the District’s Transportation Procedures. With the procedures, all students are assigned to and from their home address or assigned bus stop.

Should your child(ren) need an alternate stop for daycare or split custody they must **meet the criteria set in the Transportation Procedures.**

If your child(ren) will have a “5 day” am or pm alternate stop or you do have Split Custody you will need to complete the form attached to the Transportation Procedures and return it to me ASAP.

If you are a parent who will be transporting or your child drives to school and will not be riding the bus – please complete the enclosed form to have your child(ren) removed from the Bus Roster.

Completed forms and questions can be emailed to me at karin.delancey@tasd.net.

Thank you

Karin DeLancey
