**Building & Grounds Committee:**

***Mehoopany Water*** - Mr. Weidner reported that Cresswell had provided a description and timeframe to address the issue: Mr. Farr asked Mr. Franco to provide an update. Mr. Franko stated that the DEP requirement for SNF standards on the packer will require that one be built and shipped from California which will take about 10 days. Installation will take 3-4 days so it cannot be done over a weekend and will require school be out. Mr. Galicki suggested and the Board agreed that we wait until the summer break since we'll be so close by the time the part is received.

***New Sidewalks at Administration Bldg.*** - Mrs. Bennett stated that she and other board members looked at the new sidewalks on the side of the Administration Building and that there are gaps between the blacktop and the sidewalks that will allow water to get under, freeze and destroy the new walkways. She said that we are wasting dollars if we pay for that job that was just done. Mr. Greenip asked Mr. Franko if there would be an expansion joint or something installed. Mr. Franko responded that the job was not yet complete and that there would be a seal and a joint put in when the job is complete. Mrs. Bennett then recommended that everyone take a look so that when it is finished they can compare and assess to determine if payment will be made. Mr. Parry asked who in the District is responsible for signing off before payment. Mrs. Bennett stated and Mr. Franko agreed that he is responsible for signing off prior to payment.

***Donated Bench for Baseball Field*** - Mr. Weidner stated that he was approached by members of the Custer family who would like to donate a stone bench to the District in memory of their parents to be installed at the baseball field. The Board agreed and said it would be much appreciated. Mr. Weidner said he would have the Custer family contact Mr. Franko to coordinate the location and installation of the bench.

***High School Track Resurfacing*** - Dr. Prebola asked Mr. Franko about the High School track resurfacing. Specifically, he asked about the timing and if the resurfacing included the pole vault area and the high and long jump areas. Mr. Franko said that the resurfacing is scheduled for the week of June 6<sup>th</sup> and that the pole vault and high and long jump areas are included in the resurfacing project.

***High School Bathrooms*** - Mrs. Bennett asked for an update on the High School bathroom issues that had been raised a few weeks ago. Mr. Franko said that some accusations were made on Facebook and other social media about the presence of mold in the High School bathrooms. Mr. Franko reported that every single bathroom was tested by an outside contractor for mold and that all samples came back negative.

**Board Minutes – Public Work Session/Board Meeting**  
**April 28, 2016**

---

**Resolution #7:** A motion was made by Mr. Parry and seconded by Mrs. Arnold to approve the transfer of \$36,000.00 from the Maintenance Department's Construction Services account to the Maintenance Department's Replacement Equipment account. The funds will be used to purchase a cube van with a lift gate through the Costars Program at a cost of approximately \$36,000.00. Voting: Motion carried unanimously - see resolution number seven in the minute book.

FCC License for new bus channel - Mr. Parry asked for an explanation regarding the purchase of a FCC license for the new bus channel at a cost of approximately \$800 as he knew nothing about it. Mr. Galicki said that in conversations about school safety with the principals, they told him that it would be nice to have a dedicated bus channel that would allow them to communicate with bus drivers when a student is missing or an emergency. Mr. Parry stated he did not understand how you would talk about a student issue or emergency over the radio when everyone on all the buses could hear the conversation. Mr. Galicki said that he has spoke to two vendors and that he, Mrs. Delancey and Mr. Seaberg met with all of the bus contractors and they are in favor. Mr. Galicki said that Mr. Seaberg took one of the radios and road around the District with one of the contractors to ensure that there were no dead spots.

The next step, Mr. Galicki said, would be to purchase the license for the channel and then the radios at a cost of approximately \$32,000 from the District's Safety and Security budget. Mr. Parry asked what was wrong with the cell phones that are in each bus. Mr. Galicki stated that the phones were too spotty. Mr. Galicki asked Mr. Bosscher to comment from his perspective. Mr. Bosscher stated that it would be nice to be able to communicate with all 32 buses simultaneously when there is a student unaccounted for rather than having to make multiple phone calls to get to the driver. Mr. Parry asked if that was really something that we would want going out over the open air to all buses for all to hear.

Ms. Carroll expressed her desire to be able to communicate with all buses simultaneously because they had to delay the buses for 15-20 minutes while they physically checked every bus individually. Mrs. Bugno stated that the District has become a taxi service because we allow students to be sent to different locations every day – dance practice on Monday, a friend's house on Tuesday, a neighbor's house or baby sitters on Wednesday etc. So not a day goes by where student bus changes are not commonplace.

Mr. Parry said that having 32 bus drivers and other talking at the same time will be difficult to control. Mr. Parry stated that there may be better alternatives out there. Mr. Weidner concurred that the amount of traffic would be very difficult to control. Mr. Burke stated that at P&G radios were tried and never worked for various reasons.

Mr. Parry said that analog radios are being phase out in favor of digital. Dr. Prebola suggested that this item be tabled and allow the Administration to do additional research to address the problem.

**Tunkhannock Area School District  
Board Minutes – Public Work Session/Board Meeting  
April 28, 2016**

---

Ms. McPherson expressed her surprise that the District did not have radios in the buses. She stated that she would like to sit with the principals and Mr. Kormis to see what options are out there to address what is clearly a very real problem and then present some ideas.

**Resolution #8:** A motion was made by Mrs. Bennett and seconded by Mrs. Arnold to table the purchase of a FCC license for the new bus channel at a cost of approximately \$800.00. Voting: Motion carried unanimously - see resolution number eight in the minute book.

Presentation on 2016-17 Budget: Mr. O’Shea made a brief presentation on what we know so far about the 2015-16 and 2016-17 budgets (see Exhibit E attached).

**WHEREAS**, the School District, in contemplation of the issuance and sale of its General Obligation Bonds, Series of 2016 in an aggregate principal amount of Eleven Million Five Hundred Fifteen Thousand Dollars (\$11,515,000), to provide funds for and towards certain projects of the School District, has determined that the Bonds (hereinafter defined) shall be offered for sale at a private sale by negotiation pursuant to the provisions of the Local Government Unit Debt Act of the Commonwealth, as reenacted and amended (the "Act") and has determined that a private sale by negotiation is in the best financial interests of the School District; and

**WHEREAS**, the Board of School Directors of the School District (the "Board") has determined that such Bonds will be issued as one series of bonds and designated generally as "Tunkhannock Area School District, Wyoming County, Pennsylvania, General Obligation Bonds, Series of 2016" (the "Bonds"); and

**WHEREAS**, the Bonds shall be issued in the aggregate principal amount of Eleven Million Five Hundred Fifteen Thousand Dollars (\$11,515,000); and

**WHEREAS**, the Board has determined to accept the proposal of RBC Capital Markets, LLC, Philadelphia, Pennsylvania (the "Purchaser"), for the purchase of the Bonds, such sale to be conditioned upon, among other things, the receipt of approval from the Department of Community and Economic Development of the Commonwealth (the "Department") relating to the incurring of the indebtedness to be evidenced by the Bonds; and

**WHEREAS**, the School District has heretofore issued its \$6,635,000 original aggregate principal amount General Obligation Bonds, Series of 2010 (the "2010 Bonds"), a portion of which remains outstanding as of the date hereof; and

**WHEREAS**, the School District desires to authorize the current refunding of the outstanding 2010 Bonds for the purpose of reducing the total debt service over the life of the 2010 Bonds; and

**WHEREAS**, the School District desires to authorize the advance refunding of the outstanding 2011 Bonds for the purpose of reducing the total debt service over the life of the 2011 Bonds; and

**WHEREAS**, the Bonds which are being issued to advance refund the 2011 Bonds will not be outstanding through a maturity date that could not have been included in the issue of the 2011 Bonds; and

**WHEREAS**, a portion of the proceeds of the Bonds shall be deposited in escrow pursuant to the terms of an escrow agreement (the "2011 Bonds Escrow Agreement"), to be executed by and between the School District and an escrow agent named therein (the "2011 Bonds Escrow Agent"), such that a portion of the proceeds of the Bonds, together with interest to be earned thereon (if any), will be held by the 2011 Bonds Escrow Agent in a separate escrow account and irrevocably pledged for the redemption of the 2011 Bonds, all as shall be set forth more fully in the 2011 Bonds Escrow Agreement; and

The Board has determined to and desires to accept the proposal of the Purchaser and to incur nonelectoral debt in the aggregate principal amount of Eleven Million Five Hundred Fifteen Thousand Dollars (\$11,515,000) to fund a certain project (hereinafter described) of the School District pursuant to the provisions of the Act.

**NOW, THEREFORE, BE IT RESOLVED**, by the Board of School Directors of Tunkhannock Area School District, Wyoming County, Pennsylvania, in lawful session duly assembled, as follows:

Section 1. Pursuant to the provisions of this Resolution, the Board hereby authorizes and directs the issuance of the Bonds in the aggregate principal amount of Eleven Million Five Hundred Fifteen Thousand Dollars (\$11,515,000), to be designated generally as "Tunkhannock Area School District, Wyoming County, Pennsylvania, General Obligation Bonds, Series of 2016". The Bonds shall be issued and sold in accordance with the provisions of the Act by private sale by negotiation. In connection therewith, the Board hereby finds and determines that a private sale by negotiation is in the best financial interests of the School District.

Section 2. The Board determines that the debt to be incurred pursuant to this Resolution, and which will be evidenced by the Bonds, shall be nonelectoral debt of the School District.

Section 3. A brief description of the project (the "Project") to be funded with the proceeds of the Bonds is as follows: (1) currently refunding the outstanding 2010 Bonds; (2) (1) advance refunding the outstanding 2011 Bonds; and (3) paying the costs and expenses of issuance of the Bonds. The Board hereby approves the Project.

The remaining realistic estimated useful lives of the capital projects refinanced by the 2010 Bonds and which are to be refinanced by a portion of the proceeds of the Bonds are at least 11 years. The remaining realistic estimated useful lives of the capital projects refinanced by the 2011 Bonds and which are to be refinanced by a portion of the proceeds of the Bonds are at least 10 years. It is hereby certified that an aggregate principal amount of the Bonds at least equal to the realistic estimated cost of each such capital project shall mature prior to the end of the useful life of such project.

Stated installments of maturities of principal of the Bonds will not be deferred beyond the later of one year after the estimated date for the completion of the construction portion of the Project, if any, or two years from the date of issuance of the Bonds.

The School District hereby finds and certifies that realistic cost estimates have been obtained for the costs of the Project from financial analysts, registered architects, professional engineers or other persons qualified by experience to provide such estimates.

The Secretary or Assistant Secretary of the School District is hereby authorized and directed to execute and to submit to the Pennsylvania Department of Education, at the appropriate time, the appropriate application and other documents and information necessary to obtain state reimbursement with respect to the debt service on the Bonds (including the filing of PLANCON Parts, as and if applicable).

Section 4. In connection with the issuance and sale of the Bonds, the Board, as required by the provisions of the Act, hereby finds, determines and states (a) that the purpose of the current refunding of the outstanding 2010 Bonds is to reduce the total debt service over the life of the 2010 Bonds; and (b) that the current refunding of the outstanding 2010 Bonds is authorized and permitted under and pursuant to the provisions of Section 8241 of the Act. The Board further finds and determines that the final maturity date of the Bonds issued to effect the current refunding of the outstanding 2010 Bonds does not extend to a date that could not have been included in the 2010 Bonds issue.

The Board hereby authorizes and directs its proper officers, agents and employees to execute all documents and take all actions necessary in connection with accomplishing the current refunding of the 2010 Bonds, including, but not limited to, providing notice to Manufacturers and Traders Trust Company, as Paying Agent for the 2010 Bonds, to call the 2010 Bonds for redemption in full on June 1, 2016, or such other date as selected by the President of the Board. In accordance with Section 8246 of the Act, it is the intent of the Board that the 2010 Bonds shall no longer be outstanding from and after the date of the issuance of the Bonds.

In connection with the issuance and sale of the Bonds, the Board, as required by the provisions of the Act, hereby finds, determines and states (a) that the purpose of the advance refunding of the outstanding 2011 Bonds is to reduce the total debt service over the life of the 2011 Bonds; and (b) that the advance refunding of the outstanding 2011 Bonds is authorized and permitted under and pursuant to the provisions of Section 8241 of the Act. The Board further finds and determines that the final maturity date of the Bonds issued to effect the advance refunding of the outstanding 2011 Bonds does not extend to a date that could not have been included in the 2011 Bonds issue.

The Board hereby authorizes and directs its proper officers, agents and employees to execute all documents and take all actions necessary in connection with accomplishing the advance refunding of the 2011 Bonds, including, but not limited to, providing notice to Manufacturers and Traders Trust Company, as Paying Agent for the 2011 Bonds, to call the 2010 Bonds for redemption in full on January 15, 2017, or such other date as selected by the President of the Board. In accordance with Section 8246 of the Act, it is the intent of the Board that the 2011 Bonds shall no longer be outstanding from and after the date of the issuance of the Bonds.

Section 5. Subject to the approval of the Department, as required by the provisions of the Act, the Board shall and does hereby accept the proposal of the Purchaser, for

the purchase of the Bonds in accordance with the terms and conditions of this Resolution and the Purchaser's proposal, dated April 28, 2016 (the "Proposal"). The sale of the Bonds shall be for an aggregate purchase price of

Section 6. , plus accrued interest, if any, from the date of the Bonds to the date of delivery thereof. The President or Vice President of the Board is hereby authorized and directed to accept and to execute the Proposal and any supplements, amendments and/or confirmations thereto in the name and on behalf of the School District, and the Secretary or Assistant Secretary of the School District is hereby authorized and directed to attest to such acceptance and execution. A copy of the Proposal, as presented to the Board and accepted by this Resolution, is incorporated herein by reference and shall be attached to this Resolution and maintained with the minutes of this meeting. The bid security, if any, accompanying the Proposal shall be held and shall be applied as provided by the Act; provided, however, that no allowance for interest shall be made by the School District with respect to such bid security, except as provided by the Act.

Section 7. The Bonds, when issued, will be a general obligation of the School District.

Section 8. The Bonds shall be fully registered, without coupons, in denominations of \$5,000 or any integral multiple thereof, in substantially the form hereinafter set forth in Section 10. The Bonds shall be dated May 24, 2016, and shall bear interest from that date at the applicable rates per annum as set forth in Section 8, payable in accordance with the provisions of the Bonds and this Resolution, semiannually on January 15 and July 15 in each year, beginning on January 15, 2017 (each an "Interest Payment Date"), until maturity.

Section 9. The Bonds shall bear the rates of interest and shall mature on the dates and in the amounts as set forth on Exhibit "A" attached hereto and made a part hereof.

The Bonds are not subject to optional or mandatory redemption prior to maturity.

Section 10. The proper officers of the School District are hereby authorized, empowered and directed to contract with Manufacturers and Traders Trust Company, Harrisburg, Pennsylvania, as paying agent, or such other paying agent which shall be a bank or bank and trust company authorized to do business in the Commonwealth, as may be selected by the President of the Board upon delivery of the definitive Bonds in accordance with this Resolution (any such paying agent selected in accordance with this Section 9 being hereinafter referred to as the "Paying Agent"), for its services as paying agent and sinking fund depository in accordance with the terms and conditions of the Proposal, this Resolution and the Act. Payment of the principal of and interest on the Bonds shall be made, when due, in accordance with the provisions of the Bonds, at the corporate trust office of the Paying Agent in lawful money of the United States of America.

Section 11. Bonds shall be in substantially the form set forth in Exhibit "B" hereto. The form of the Bonds as submitted to the School District is hereby approved in substantially such form, with such changes, insertions and variations as are necessary or appropriate to reflect the final terms, including, but not limited to, series designation, interest rates, principal amount, the name or designation and the final redemption provisions (as applicable), of the Bonds as specified to the School District in the delivery instructions of the Purchaser and such other

changes as the President or Vice President of the Board may approve upon advice of counsel to the School District, such approval to be evidenced by such officer's execution and delivery of the Bonds.

Section 12. The Bonds shall be executed in the name and on behalf of the School District by the true or facsimile signature of the President or Vice President of the Board and the true or facsimile official seal of the School District shall be affixed thereunto, duly attested by the true or facsimile signature of the Secretary or Assistant Secretary of the School District. Said officers are authorized and directed to execute, attest and deliver the Bonds. The execution and delivery of the Bonds in accordance with this Section 11 shall constitute conclusive proof of the approval of the final terms and provisions of the Bonds by the School District.

No Bond constituting one of the Bonds shall be entitled to any benefit under this Resolution nor shall it be valid, obligatory or enforceable for any purpose until such Bond shall have been registered and authenticated by the Certificate of Authentication endorsed thereon duly signed by the Paying Agent; and the Paying Agent is authorized to register and authenticate the Bonds in accordance with the provisions hereof.

The Bonds shall initially be issued in the form of one fully-registered Bond for the aggregate principal amount of the Bonds of each maturity, which Bonds shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). The Bonds issued in the name of Cede & Co. in accordance with the provisions of this Section may be issued in typewritten form satisfactory to DTC. Except as provided below all of the Bonds shall be registered in the registration books kept by the Paying Agent in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee or nominees of DTC. No person other than DTC or its nominee shall be entitled to receive from the School District or the Paying Agent either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Bonds on the registration books maintained by the Paying Agent, in connection with discontinuing the book-entry system as below or otherwise.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal of or interest on such Bonds shall be made to DTC or its nominee. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the School District or the Paying Agent with respect to the principal of or interest on the Bonds to the extent of the sum or sums so paid.

The School District and the Paying Agent shall treat DTC (or its nominee) as the sole and exclusive registered owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, giving any notice permitted or required to be given to registered owners of the Bonds, registering the transfer of the Bonds, obtaining any consent or other action to be taken by registered owners of the Bonds and for all other purposes whatsoever; and neither the School District nor the Paying Agent shall be affected by any notice to the contrary. Neither the School District nor the Paying Agent shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on

the registration books of the Paying Agent as being a registered owner, with respect to: (1) the Bonds; (2) the accuracy of any records maintained by DTC or any such participant; (3) the payment by DTC or any such participant of any amount in respect of the principal of or interest on the Bonds; (4) any notice which is permitted or required to be given to registered owners of the Bonds; or (5) any consent given or other action taken by DTC as the registered owner of the Bonds.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the registered owners of the Bonds under this Resolution shall be given to DTC.

In connection with any notice or other communication to be provided to registered owners of the Bonds pursuant to this Resolution by the School District or the Paying Agent with respect to any consent or other action to be taken by registered owners of the Bonds, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that the School District or the Paying Agent may establish a special record date for such consent or other action. The School District or the Paying Agent shall give DTC notice of such special record date not less than 10 calendar days in advance of such special record date to the extent possible.

The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if: (1) after notice to the School District and the Paying Agent, DTC determines to resign as securities depository for the Bonds; (2) after notice to DTC and the Paying Agent, the School District determines that continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interests of the School District or the beneficial owners of the Bonds. In any such event, unless the School District appoints a successor securities depository, the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated in writing by DTC, but without any liability on the part of the School District or the Paying Agent for the accuracy of such designation. Whenever DTC requests the School District and the Paying Agent to do so, the School District and the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable written notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Section 13. The School District covenants to and with the registered owners from time to time of the Bonds that the School District (i) shall include in its budget in each fiscal year the amount of the debt service for each fiscal year of the School District in which such sums are payable, (ii) shall appropriate from its general revenues in each such fiscal year the amount required to pay debt service on the Bonds for such year, and (iii) shall duly and punctually pay or cause to be paid from its sinking fund or any other of its revenues or funds the principal amount of the Bonds and the interest due thereon at the dates and place and in the manner stated therein, according to the true intent and meaning thereof. For such budgeting, appropriation and payment, the School District shall and does pledge, irrevocably, its full faith, credit and taxing power. As provided in Section 8104 of the Act, the foregoing covenant of the School District shall be enforceable specifically.

Section 14. The School District hereby covenants to create and there is hereby created, pursuant to Section 8221 of the Act, a sinking fund for the Bonds, to be known as

"Sinking Fund – Tunkhannock Area School District, Wyoming County, Pennsylvania, General Obligation Bonds, Series of 2016" (the "Sinking Fund"), or such other name or designation to coincide with the name of the Bonds and the year issued as selected by the proper officers of the School District, which such Sinking Fund shall be established with the Paying Agent and administered in accordance with applicable provisions of the Act and this Resolution.

Section 15. The Paying Agent shall be the "sinking fund depository" with respect to the Sinking Fund created pursuant to Section 13. The School District covenants and agrees to deposit in the Sinking Fund, on or before each Interest Payment Date, an amount which shall be sufficient to permit the Paying Agent to pay on such Interest Payment Date all principal and accrued interest becoming due with respect to the Bonds. After such deposit, the Paying Agent shall, without further authorization or direction from the School District or any of its officials, upon proper and timely presentation, execution and surrender of the Bonds, with respect to the payment of principal of the Bonds, or at the Interest Payment Date, with respect to the payment of interest on the Bonds, withdraw moneys from the Sinking Fund and apply such moneys to the prompt and full payment of such obligations in accordance with the terms thereof, the terms and conditions of this Resolution and the provisions of the Act.

Section 16. Each Bond shall bear interest from the Interest Payment Date next preceding the date of registration and authentication of such Bonds, unless (a) such Bonds are registered and authenticated as of an Interest Payment Date, in which event such Bonds shall bear interest from said Interest Payment Date; or (b) the Bonds are registered and authenticated after a Record Date (hereinafter defined) and before the next succeeding Interest Payment Date, in which event such Bonds shall bear interest from such Interest Payment Date, or (c) the Bonds are registered and authenticated on or prior to the Record Date preceding the first Interest Payment Date, in which event such Bonds shall bear interest from the dated date thereof, or (d) as shown by the records of the Paying Agent, interest on such Bonds shall be in default, in which event such Bonds shall bear interest from the date on which interest was last paid on such Bonds. Interest shall be paid as set forth in the definitive Bonds, until the principal sum is paid. Interest on the Bonds is payable by check drawn on the Paying Agent, which shall be mailed to the registered owner whose name and address shall appear, at the close of business on the fifteenth (15th) day next preceding each Interest Payment Date or such other day approved by the President or Vice President of the Board upon delivery the definitive Bonds in accordance with this Resolution (the "Record Date"), on the registration books maintained by the Paying Agent, irrespective of any transfer or exchange of the Bonds subsequent to such Record Date and prior to such Interest Payment Date, unless the School District shall be in default in payment of interest due on such Interest Payment Date. In the event of any such default, such defaulted interest shall be payable to the person in whose name the Bonds are registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Paying Agent to the registered owners of the Bonds not less than ten (10) days preceding such special record date. Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth (5th) day preceding the date of mailing.

If the date for payment of the principal of or the interest on any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized by law or executive order to remain closed, then the payment of such principal or

interest need not be made on such date, but may be made on the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to remain closed, with the same force and effect as if made on the on the due date for payment of principal or interest and no interest shall accrue thereon for any period after such due date. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same maturity and interest rate.

The Bonds shall be transferable or exchangeable by the registered owner thereof upon surrender thereof to the Paying Agent, at its principal corporate trust office, accompanied by a written instrument or instruments in form, with instructions, and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner thereof or his attorney-in-fact or legal representative. The Paying Agent shall enter any transfer of ownership of the Bonds in the registration books of the School District maintained by the Paying Agent and shall authenticate and deliver in the name of the transferee or transferees new fully registered Bonds of authorized denominations of the same series and maturity for the aggregate amount which the transferee or transferees are entitled to receive at the earliest practicable time.

The School District and the Paying Agent may deem and treat the persons in whose names the Bonds shall be registered on the registration books of the School District maintained by the Paying Agent as the absolute owners thereof for all purposes, whether such Bonds shall be overdue or not, and payment of the principal of and/or interest on the Bonds shall be made only to or upon the order of the registered owners thereof or their legal representatives, but such registration may be changed, as herein and in the Bonds provided. All such payments shall be valid and effectual to satisfy in full and discharge the liability of the School District upon the Bonds so paid, to the extent of the sum or sums so paid, and neither the School District nor the Paying Agent shall be affected by any notice to the contrary.
