220 West Tioga St.  
Tunkhannock, PA 18657

Epilepsy affects much more than just the brain, it has a great impact on your daily life and loved ones. Epilepsy can lead to feeling isolated and overwhelmed. Support groups are a great way to come together to support, share, and learn from one another. For more information contact Rena Loughlin at 215-779-8828 or [rloughlin@efepa.org](mailto:rloughlin@efepa.org).
