

The Mehoopany Charter School has notified the Tunkhannock Area School District of its intent to withdraw its application for a charter next year. The Tunkhannock Area School District is pleased to partner with parents and community members dedicated to the vision of excellence for all TASD students. We applaud the time and effort put forth by the MCS Foundation and Board of Trustees and we share their vision for providing 21st Century learning and opportunities for our students. Working together, we believe that we can achieve this goal. We will continue to collaborate and cultivate a partnership that puts learning first.

The Charter School Hearing scheduled for Thursday, January 25 at 8PM has been cancelled.
