I have received this request from Thurston Sick on behalf of our PE Dept.

I request to have these items placed on the next available Board agenda for approval to dispose of or donate.

Christine,

It seems like there is a process by which we have donated items to local groups (?)

If it is not practical to donate the items then I would simply dispose of everything

thank you for considering this request

Mr. Bosscher,

The following is a list of P.E. equipment that is currently not being utilized and is currently in storage.

This equipment has reached the condition to where:

- it should be disposed of

or

- does not fit in a contemporary Health and PE curriculum.

This list shows the item, quantity, and places I have contacted that would accept the equipment as a donation.
