

Awanatunk Yearbook Announcement

Yearbooks were completed as of March 30.

160 pages hard cover.

The cover created was a collaboration among Mrs. Wiernusz, Mrs. Sick and Jostens and is truly unique and exceptional!

A special WorldBeat insert covering national/international happenings from the year is also included. The book covers everything the staff could until that last day of March 13, not knowing it would be like this.

They are available for online purchase at Jostens.com for \$75. There are still some left. It is first come, first served.

Ironically, 50 more books were ordered at the end of February because they sold out in one week last school year.

Plans are in the works on how they will be distributed in the safest way possible.

Hoping this answers any questions you may have!

Contact staci.wiernusz@tasd.net if anything is unclear.

Thank you.
