

Attention Class of 2019 Parents and Seniors:

The following guidelines are being distributed in preparation for the submission of 2019 Awanatunk yearbook photos. Photos must be taken by a professional photographer of your choice with the specifications listed below.

Please take these specs with you when getting your senior yearbook picture taken by a professional photographer:

- **Color photo only** with **plain** background (not so busy that your student is lost)
- Format – TIFF or JPEG
- Resolution – 300 DPI or better
- **Head and Shoulders only (No Hands)**
- Portraits should be at a traditional camera angle
- Attire: Girls – Blouse or sweater (no bare shoulders)
Boys – Suit and tie recommended or dress shirt & tie or collared shirt
- T-shirts with logos of any kind are not acceptable
- **No hats or props**

Label picture by student last name, first name. Submit only ONE picture.

Professional photos must be **submitted by October 31, 2018** on a CD disk (PC format) or a hard copy to the following address:

Staci Wiernusz
Tunkhannock Area High School Library
135 Tiger Drive
Tunkhannock, PA 18657

Questions/photos may also be e-mailed to staci.wiernusz@tasd.net. I will confirm receipt by e-mail. If you receive no e-mail confirmation of photo receipt, that means I did not receive.

Please adhere to the above guidelines so that the yearbook pictures are uniform in head sizes and quality of pictures. Thank you for your attention in this important matter.

Sincerely,

Staci Wiernusz
Yearbook Advisor
